"O Lord, may you be mindful of me, and look with favor upon me. Punish me not for my sins, nor for my inadvertent offenses, nor for those of my ancestors." (Tobit 3:1). Recurring problems in family lineage: divorce, division, accidents, financial misfortune, addictions to alcohol, drugs, gambling, sex, etc., emotional disturbance, mental illness and even physical ailments may be a result of the sins of our ancestors who adversely affected them. We can freely choose to accept or not accept our spiritual inheritance. This freedom is possible because Jesus has broken our bloodline by shedding His blood on Calvary. We can choose by faith to give our lives to Jesus, be born again, enter God's family, and inherit only the good and nothing of the bad.
